

PAUL NYAMAWI

WEBSITE AND GRAPHIC DESIGNER

PROFILE

Self-taught front-end web developer and graphic designer who enjoys building everything from small business websites to rich interactive websites. I create custom websites to bring your idea to life and help businesses do better online. Proven ability to develop and maintain dynamic web projects using HTML5, CSS, Tailwind, JavaScript, Vue.js, Nuxt.js, MongoDB, Express, and other skills as listed in my portfolio. In graphic design i am mostly using Photoshop and Adobe Illustrator
